

Marylebone Square

Community Update

Dear Neighbour,

We hope you are all keeping safe during the winter weather. The weather has not stopped us and we are continuing to build.

Our project

The works at Marylebone consist of constructing a collection of both high-end and affordable apartments over 5 storey, carefully chosen boutiques and restaurants, and a versatile community hall.

Progress update –February 2021:

- Piling commenced along Aybrook Street.
- Commenced capping beam construction on Cramer Street.
- Site one-way system operational.
